This weeks random order:

Bylaws change, Funding request NOT from the house account, Mural request, Other, Funding request from the house account, Use of space request, Guest request.

1. Call to Order
2. Approval of Agenda
3. Approval of Minutes
4. Manager Announcements
5. Member Announcements
6. Time-Sensitive Business
  - a. Bylaws change
    1. Matthew Waliman - Kitchen Manager Bylaw Changes. It is time sensitive because it has to be approved at two consecutive councils (this council is the second one of the series so it would have to be approved at this council) (20 Minutes)
  - b. Other
    - i. **(Withdrawn)** Parisa Ali - I want to pass a motion to have our workshift hours rollover from spring. This does not include negative

hours because members were already fined for those. This only refers to hours that members were up on. It is time sensitive because it affects the people that are moving out in a week or so from last semester. (20 Minutes)

ii. James Martins - Emergency response

(<https://www.youtube.com/watch?v=fNlxy2mHmJY&feature=youtu.be>). It is time sensitive because this was supposed to be done by 2015-06-19. (20 Minutes)

c. Funding request from the house account

i. James Martins - I would like 300 dollars, from the house account, for food (200 Dollars Food along with 6 hours (78 Dollars) of workshift) and I think the house should buy this because then we can have dinner next council. It is time sensitive because otherwise we can't have food next council (5 Minutes)

d. Use of space request

i. Kyle Boss - I would like to use space for the following academic event: EFE in Lib Ed from Monday, June 22, 2015 at 07:00 PM to Monday, June 22, 2015 at 08:00 PM. It is time sensitive because it's to have a space request on a very near date (2 Minutes)

7. Old House Business

a. Funding request from the house account

i. **(Withdrawn)** Workout mat for gym - \$500-\$900 (3 minutes)

8. New House Business

a. Funding request from the house account

- i. Jamin Kim-Sanders - I would like 60 dollars, from the house account, for Money to Develop Photos (Cost of printing glossy 4 by 6 portraits of Cloacas) and I think the house should buy this because The photo board should include colorful and glossy portraits, but since the printer only prints black and white photos, I would like to get a bit of money from the house account to pay for these pictures to be printed off site. \$60 is an overestimate just to cover the new tenants who will be moving in over the course of the summer (5 Minutes)
- ii. James Martins - I would like 40 dollars, from the house account, for Chromecast ([http://www.amazon.com/Google-Chromecast-Streaming-Media-Player/dp/B00DR0PDNE/ref=sr\\_1\\_1?s=tv&ie=UTF8&qid=1434786246&sr=1-1&keywords=chromecast](http://www.amazon.com/Google-Chromecast-Streaming-Media-Player/dp/B00DR0PDNE/ref=sr_1_1?s=tv&ie=UTF8&qid=1434786246&sr=1-1&keywords=chromecast)) and I think the house should buy this because then we can Chromecast to the screen in the E2 study room (5 Minutes)
- iii. James Martins - I would like 900 dollars, from the house account, for food (600 Dollars Food along with 18 hours (234 Dollars) of workshift) and I think the house should buy this because then we can have dinner at the three councils remaining in summer (5 Minutes)

b. Other
